# **Complaint Information**

If you have more than one complaint, address your primary complaint in your responses to the questions in this section and select Yes to indicate that you have an additional complaint. The form will populate a secondary question section for you to address your additional complaint. You may address up to four complaints.

# What is the purpose of your visit?

Select only one area of discomfort for your chief complaint. Add additional areas of discomfort as additional complaints by selecting **Yes** in response to **Do you have an additional complaint?** at the bottom of this section.
